The wreckage of two cars lie under roadside trees after their head-on crash killed six persons. Sheriff's Police called it one of the worst traffic accidents in Lake County history. The smash-up occurred Monday evening on Rte. 83, one half mile south of Grayslake.

## Merchants Prepare For Fall Festival Sale

Gifts, prizes, and bargain prices are being planned to entice the public at the Fall Festival Sale.

Antioch merchants will put on their best colors for the two day event, Oct. 17 and 18.

The sale is sponsored each year by the Chamber of Commerce and this year is under the direction of Mrs. Marion Pechousek and Russell Barnstable, co-chairmen of the C. of C. retail merchants division.

A host of \$5 merchandise certificates will be given away by participating merchants at drawings on each of the sale days; kids will be treated to a special movie at the An-

tiotch Theatre on Saturday and what is probably most important, excellent shopping values will be offered on new fall and winter merchandise by the stores.

Stores with special fall merchandise on sale will display big orange and black pennants and inside displays will feature a fall theme, Barnstable said.

Merchant participation will be explained this weekend when Ray Jensen, Bob Calloway and Barnstable contact Antioch businessmen. They will also distribute promotion material provided by the Chamber of Commerce.

## Two Guest Artists To Perform At Music Assn. Concert Friday

An organ concert sponsored by the Antioch High School Music Assn. will be held Friday evening at the school.

Reginald Foote will be the guest artist.

The organ division of the Baldwin Piano Co. is sending two organs and a second organist to complement the style of the British born Foote.

The money made at the concert

will go towards the annual spring tour of the high school band and chorus.

Mrs. Kenneth Young is in charge of the arrangements.

She announced this week that a nursery would be provided for children of the concert goers. It will be located opposite the box office at the school.

Tickets will be on sale on the night of the concert.

## Frost, Cold Hurt Crops In This Area

Temperatures fell to the freezing mark in the Antioch area during early morning hours Wednesday and Thursday.

Farmers reported some damage to corn crops not yet mature enough to withstand the killing frost which covered the ground during the week.

Ray Nicholas, Lake County Farm Bureau advisor at Grayslake, warned that the frost could affect corn crops in lower fields and many of home-grown tomato patches which sprinkle the county.

Root crops are more resistant to frigid weather, according to farmers' reports.

The weather is expected to moderate somewhat over the weekend. One farmer reported that the frost killed his cantaloupes and partially destroyed his tomatoes.

## Six Area Residents Dead In Rt. 83 Crash

Sheriff's police are pondering conflicting evidence today in their investigation of the Rte. 83 auto crash which killed six persons Monday evening.

The question is which driver, if either, was passing another car, at the time of the collision?

A witness, who lives at the scene of the accident one half mile south of Rte. 21, southeast of Grayslake, told police that he saw the northbound car driven by John R. Plunkett trying to pass another car just before the terrific impact.

But Christian said today that the wreckage indicates that the crash may have occurred near the east shoulder of the road across the pavement from the southbound lane in which the other vehicle, driven by LeRoy Dahl, would presumably have been traveling.

Christian cautioned that this fact, if it is a fact, does not indicate the circumstances which led to the collision on the shoulder of the road.

The sheriff said that his team is looking for another reported witness to the accident. The accident time has been set at 6 p. m.

He promised further details for the inquest which Coroner Robert Babcock said would probably be held next week.

### DEATH INSTANTANEOUS

Death to all six persons in the accident was apparently instantaneous, according to the Rev. Stephen Liddicoat, pastor of the United Protestant Church, Grayslake, and a

member of the Grayslake Volunteer Fire Dept., whose members aided in removing the bodies from the wreckage.

The six persons killed were: LeRoy Dahl, 33, of 1403 Ridgeway, Round Lake Beach.

David A. Strattan, 50, of Woodcrest Subdivision, Antioch.

Frank Malva, 63, of Lake Marie, Antioch.

John R. Plunkett, 38, of Rock Lake Subdivision, Trevor, Wis.

Mrs. Alverda Missak, 48, of RFD 1, Lake Villa.

John C. Skrinskus, 46, of 1014 Oakwood Drive, Round Lake Beach.

(See obituary column on the inside pages for further information.) Dahl was driving alone at the time. Plunkett was driving the other four persons home from Chicago. They were members of a car pool which went to and from Chicago.

Four of the five persons in Plunkett's car were returning from work at the Zenith Radio Corp., Chicago. Malva worked at the Revere Copper and Brass Co., Chicago.

### CALLED WORST ACCIDENT

The cars came together on the top of a knoll. This may have obscured the drivers' vision, police speculate.

There were no skid marks at the scene.

Sheriff's deputies described the tragic mishap as the worst or one of the worst traffic accidents in the history of Lake county.

The six deaths shot the 1958 county traffic toll far above last year at this time. The present count is 59 fatalities. (One road death has occurred since the six were killed.) The count last year on Oct. 2 was 50 deaths.

## News Begins Its Sport Page Today

The Antioch News will offer its readers the benefits of a sports page beginning in today's edition.

In this way, all reports of area sporting events may be conveniently located in a single, distinctive page inside the newspaper.

Of particular interest at the current time is the high school football competition which is growing hotter each week.

The bowling season is underway in earnest now. Readers will find details of local leagues on the sports page.

In the coming weeks, sports coverage will include both reports of past competition and previews of forthcoming events in this area.

Participants in all sports are urged to use the News sport page as a place to report the activities of their teams or groups.

The deadline for sports news is 8 p. m. Tuesday preceding the date of publication.

## Autos Strike Glancing Blow On Rte. 173

Two cars struck a glancing blow as they traveled in opposite directions on Rte. 173, one half block east of Tiffany Rd., at 12:25 Sunday.

There were no serious injuries. The driver of the eastbound car was Harland A. Craft, Blackburn Ave., Gurnee. The other vehicle, driven by John H. Dodge, a resident of Smith's Hotel on Rte. 173, Channel Lake, sideswiped Craft's car as they passed on a curve, according to Sheriff's police who were at the scene of the accident.

There were no charges made. The Antioch Rescue Squad answered the call.

## Heating Bids To Be Heard By Village

The Antioch Village Board will hear bids on a new heating plant for the storage house located at the septic tanks during next Tuesday's regular meeting.

Village President Murrill Cunningham said that it was quite likely that a bid would be selected by the Board following the reading.

Cunningham said, however, that the Board does hold over such bids for a few days' study in some cases.

Village Clerk Clarence Shultis will present the agenda to the Board Tuesday evening. He is expected to return from a vacation Monday morning.

The specifications on the heating contract include the installation of a plant, construction of a chimney, and the addition of a heat distributing system.

Board meetings still begin at 8 p. m. though an earlier time will be scheduled during the winter months.

## Taverns Must Turn In Gambling Stamps Or Lose Licenses

Tavern owners who have purchased federal gambling stamps may still turn them in to avoid being cited for a hearing by the Illinois Liquor Control Commission.

Chairman of the Liquor Commission, Loren B. Sackett has warned that taverns cited for a hearing in regard to their possession of gambling stamps will lose their liquor licenses if investigation proves possession of the stamp.

Sackett said that an offer to turn in gambling stamps after the hearings start some time in October, will be accepted, but will not affect the commission's decision to revoke their licenses.

## Republican Candidates Speak At Antioch School

State GOP candidates Warren Wright and Gerald Smith led their campaign caravan to Antioch and the surrounding area Wednesday night.

U. S. Representative Marguerite Stitt Church (Rep., Evanston), joined Wright, who is running for state treasurer, and Smith, running for state superintendent of public instruction, at a meeting with the Antioch Men's Republican Club, held at the Antioch elementary school.

Mrs. Church will also be on the ballot Nov. 4 running for re-election. The two state candidates visited with the Grant Township Republican's Club earlier in the evening.

A crowd of about 150 people

cence which GOP wins in previous years might create.

Mrs. Church blasted the Democrats as guilty of corruption, military involvements, and deficit spending which, she said, led to their defeat in 1952.

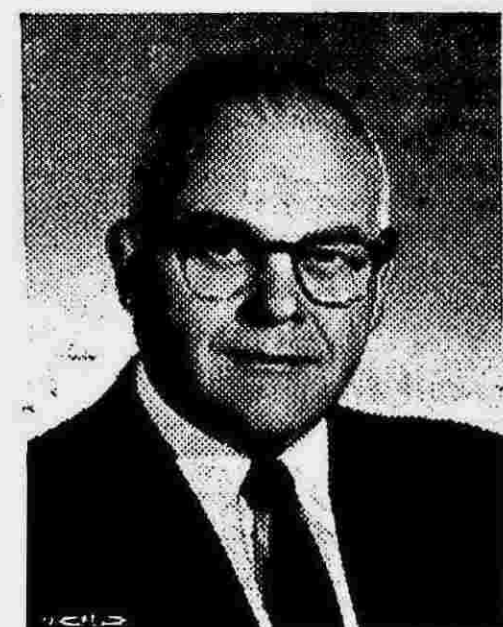

The Congressional candidate admitted that the world was still "full of tension," but said that under the GOP administration the United States had achieved a tentative

truce which "brought our boys home from Korea."

She pointed out that in this off year election the state and county candidates in addition to herself were carrying the burden for the party.

Mrs. Church categorically endorsed the state and county candidates on the platform.

Wright emphasized the work theme in his speech, and said that the results of GOP labors could be "a smashing and resounding victory" (continued on page 7)

## State Aid Checks Go To Schools

Lake County's school districts are receiving a total of \$431,311.35 in state aid this week, according to spokesmen for the County Superintendent's office.

This is partial payment for the school year which ended in June.

Four more state aid payments for the last school year will be received by school districts here. A delay in the payments has been caused by administrative details in the county superintendent's office and in Springfield.

land possessions are to be presented to the Antioch boy scout home.

The articles which include some of Prange's favorite keepsakes such as a buffalo noise piece, the Indian head dress he wore for his Order of the Arrow membership night, a canoe paddle, and his snow shoes will be arranged in a permanent display at the Scout House, according to James Horton, Boy Scout Troop 92 Scoutmaster.

Horton, who is in charge of preparation for the memorial, said that the time of the ceremony depended upon when the articles reached here. They are being shipped by rail.

Horton said that the family hoped to wait until one of Prange's closest friends arrived from the West for the ceremony.

The memorial ceremony will be held on a Sunday afternoon according to present plans. Horton said that it would probably be sometime in October.

He described the memorial ceremony as informal in origin and said that it would be open to the public.

Prange belonged to both Boy Scout Troop 92 and the Explorer Post 92. He was a member of the Order of the Arrow, honorary camper's fraternity.

Horton said that Prange was also a close friend of Chet White, who was assistant scoutmaster of Troop 92 before becoming Scoutmaster of

Troop 91.

Mrs. Prange returned last week from the search which has now almost come to a halt. A telegram received Tuesday night said that a helicopter was standing-by and a few persons still were conducting small searches, but hope for finding him alive or his body was slight.

"It is not unusual that he did not leave a single clue as to which way he went," Mrs. Prange said. He was a clean camper and because of his love of the wild country, it would not be possible to tell if he even built a campfire, she added.

Even if there was a clue, it would be covered by the 18 inches of snow now on the mountain which was his destination. Searchers also report snow 6-8 inches deep in the valley where he might have headed, Mrs. Prange said.

"The country is so vast and the land so rugged that it is years before some persons lost in the country are found." She told of the finding this year an airplane that had been missing 1 1/2 years and the clothes of a man missing for five years near the area where her son was missing.

Mrs. Prange admits that because Eugene's dog Queen refused to go very far back into the area where her master was supposed to be, it was almost hopeless to think that (continued on page 7)

## Antioch School Council Will Be Featured In Nat'l Magazine Article

The Antioch High School Student Council will be the subject of a feature article in Scholastic Magazine for its work in recent years in the Crusade for Freedom and Radio Free Europe.

Mack McBean, an official of the Crusade for Freedom notified Mrs. Jeanette Tulumello, Antioch High social science teacher, that the editors of Scholastic Magazine had indicated their desire to feature the Antioch Student Council in an article demonstrating the work of youth in the public education system.

The student council has been an active champion of the Crusade for Freedom for the past seven years, distributing information concerning the Crusade and soliciting funds for the work from area schools and the community.

The national headquarters of the Crusade for Freedom has recognized the work of the student council here in the past two years with the award of two plaques which have been placed in the main hall of the high school.

## Two Staff Changes For Antioch News

Two staff changes for the Antioch News were announced this week by the publishers, Gaston Printing Company.

The post of general manager was created and Noel Duerden, who has worked in the News advertising department, was named to fill the job. He also will represent the commercial printing department of the company.

Allen Smith will begin duties next week as news editor of the News. He succeeds George R. Rinehart who has been news editor for 13 years. Rinehart will continue as county editor for the Waukegan News-Sun.

Growth of the area it serves and of the newspaper were given as reasons for the new appointments by Mrs. Margaret Gaston, senior partner of the firm. The new general manager, a graduate of Northwestern University, has worked in both editorial and advertising departments of daily and weekly newspapers including The Salt Lake Tribune, Idaho State Journal, and Aberdeen (Idaho) Times. The news editor has worked on Illinois daily newspapers.

## Set Registration Dates For Grant H. S. Adult Classes

Registration dates for adult education at the Grant Community High School have been announced by the Board of Education.

A wide variety of courses are offered with special arrangements for regular high school credits possible at the time of registration.

Registration will be held Oct. 6 and Oct. 8 from 7 to 9 p.m. in the high school cafeteria.

Classes will begin the following week. Instruction in each course will be one night each week through December.

## No Opponents To School Remodeling Program

No objections were heard today when the St. Joseph Camp for Boys petitioned the Lake County zoning board for a special permit to remodel some buildings at its Petite Lake site.

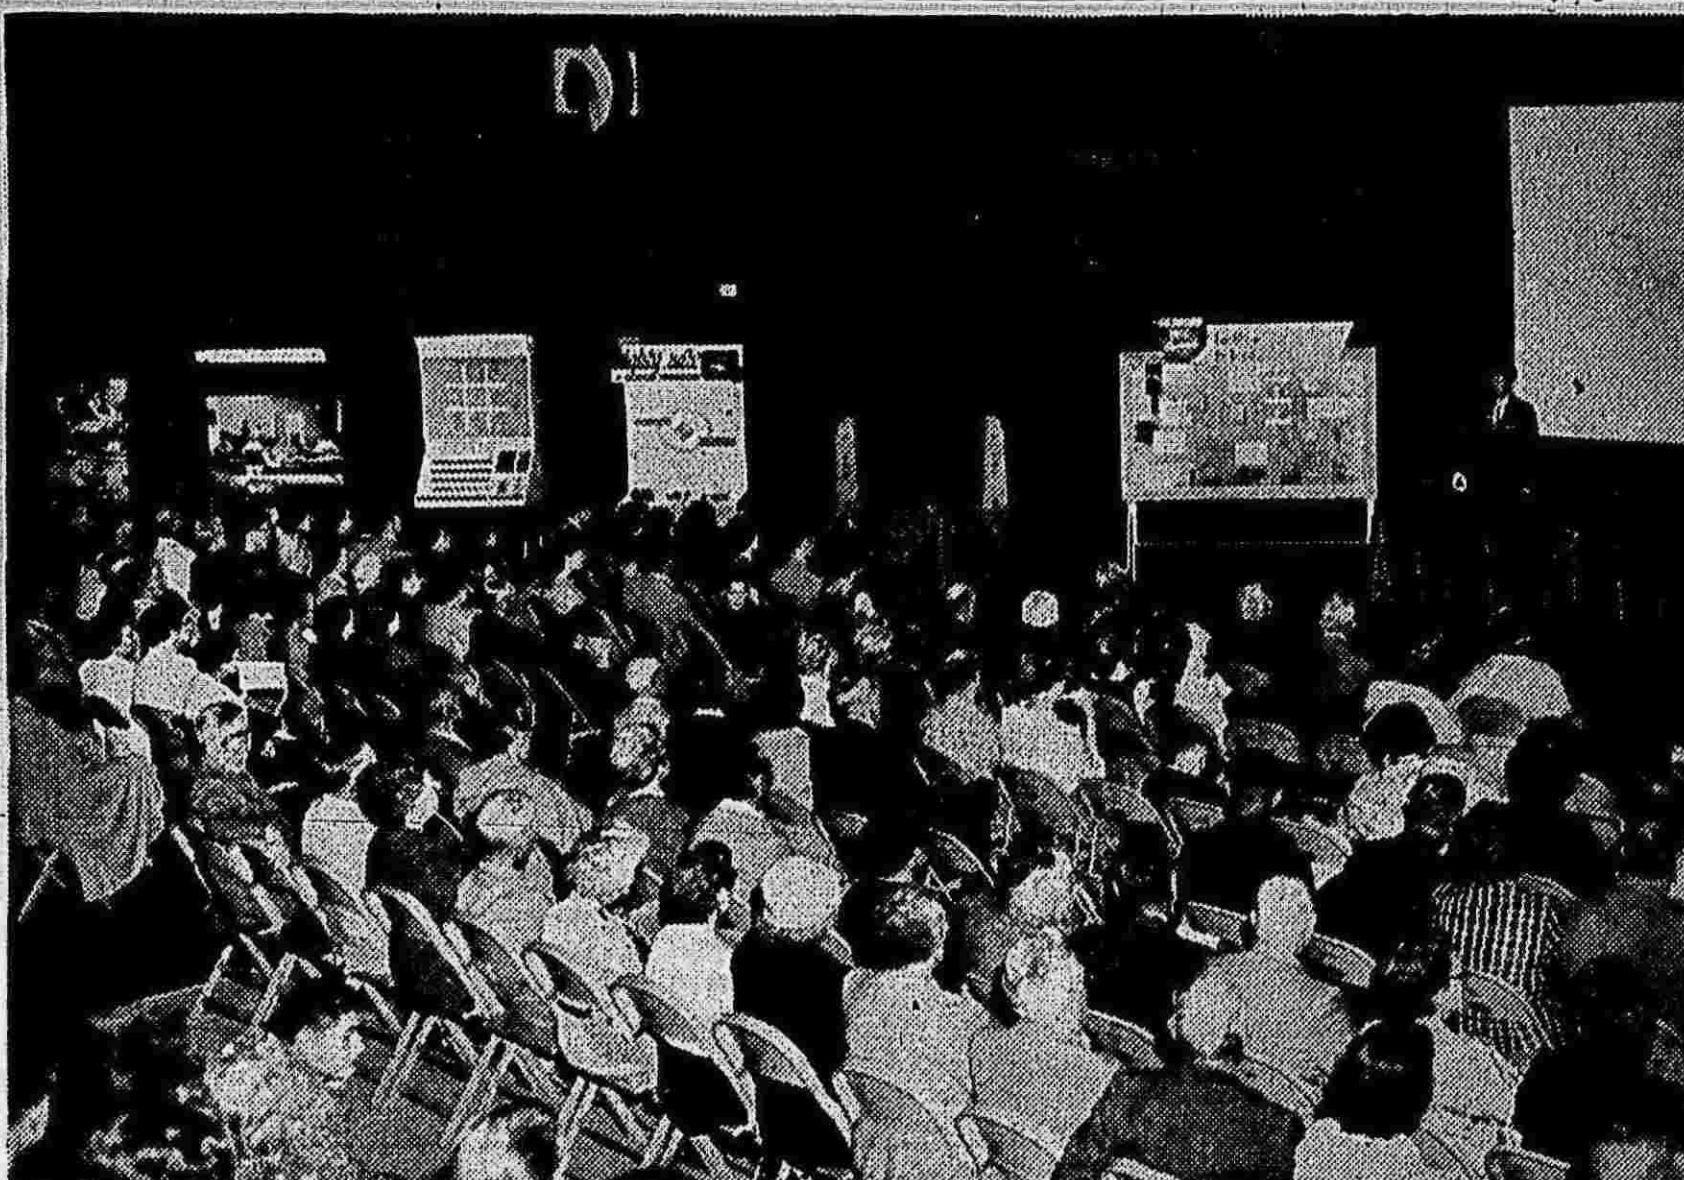

The hearing, in the Antioch Village hall, was held to establish a precedent for future such requests for alterations on buildings which antedate county zoning ordinances.

The school proposes to dismantle an existing building and remodel some existing structures.

The exhibits were the mechanics of the operation of the telephone, especially the dial process which Antioch soon will have. Most of the guests took the opportunity to try the equipment that permitted them to hear their own voice. Other hosts for the two evenings, Tuesday and last night, were Mrs. N. Reichardt, chief operator, and E. O. Sullivan, wire chief.

## Atty. Ancel Declares New Court Plan Gives Villages Usual Fees

Atty. Louis Ancel, attorney for the Antioch Township High School, has issued a statement through the Committee for Modern Courts assuring the people of municipalities that they will lose no income from fines as the result of the abolishment of the justice of the peace and police magistrate offices.

Favoring the Blue Ballot Atty. Ancel stated flatly:

Municipalities will continue to receive fines and penalties from ordinance violations and traffic cases as presently provided, by legislative acts which are completely unaffected by the judicial amendment up for approval on Nov. 4.

All salaries of new magistrates will be paid by the state, resulting in savings for the local community.

last week. "We are perhaps a year away," Walther commented. There are 16 juniors on the team.

Walther predicts a three team fight for the conference title between Grant, Grayslake, and Lake Forest with the Scouts having an edge in the competition.

## Inexperience Cost Game

Inexperience proved costly to Antioch's Sequoits as they dropped a 12

to 6 decision at Wauconda last Saturday.

Thwarted at every turn by penalties and unable to stop the Bulldog offense, Antioch held on grimly until Wauconda drove for two touchdowns in the last half.

The Sequoits' sole scoring thrust was a lightning like 36 yard off tackle slant by halfback Dick Gudgeon on Antioch's first play from scrimmage.

A bad Bulldog punt following the opening kickoff set up the Sequoits TD.

The rest of the first half was all Wauconda, but the home team never quite hit paydirt.

They rectified matters in the third quarter by climaxing a 60 yard drive with a six yard sweep around right end. Wauconda failed to convert as the Sequoits had earlier in the game, and the score was knotted at 6-6.

Showing "plenty of spirit" against a confused Sequoit squad, the Bulldogs again pushed into enemy territory during the final quarter. Not to be denied, a Wauconda back took a pitchout and scampered across the goal line for the winning counter.

A rueful resume of the contest shows that Antioch was charged with 125 yards in penalties, including the nullification of two touchdowns.

## Fall Doesn't Really Begin Until Oct. Sales Festival

The calendar says we're now into Fall but it won't be official until Oct. 17-18 when Antioch merchants present their season offerings at the big Fall Festival Sale.

Area stores will break out in a gala sea of colors with giant window pennants topping off the natural bright colors of the new autumn merchandise.

Mrs. Marion Pechousek, chairman of the Retail Merchants division of the Chamber of Commerce, said that more than just values will be offered the shoppers. A host of gift certificates will be given out by participating businessmen and lucky names will be drawn at two big drawings on each of the sale days.

In addition, children will be treated to big free shows at the Lakes Theatre, Mrs. Pechousek said.

Merchants and shoppers alike will go into this big sale event with a memory of a highly successful August promotion by the Chamber members.

Robert Trout, well-known news commentator, has recently completed recording a series of four half-hour radio shows for the American Foundation for the Blind.

## ON THE BIBLE SIDE

EMANUEL THIELE

There are many religions in the world, how would I know which is right?

Yes, there are many religions, from the pagan gods of the ancient past to the varied forms of worship in this present day. Each may have some measure of virtue, else there would not be so great a following.

However, none of the religions have been able to offer the true virtues of a Living God which mean so much to a troubled soul.

The Bible, like none other book in the world, contains the oracles of a true God. Believe and obey its precepts and you will find "it works."

"Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me." —John 14:6

"Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved."

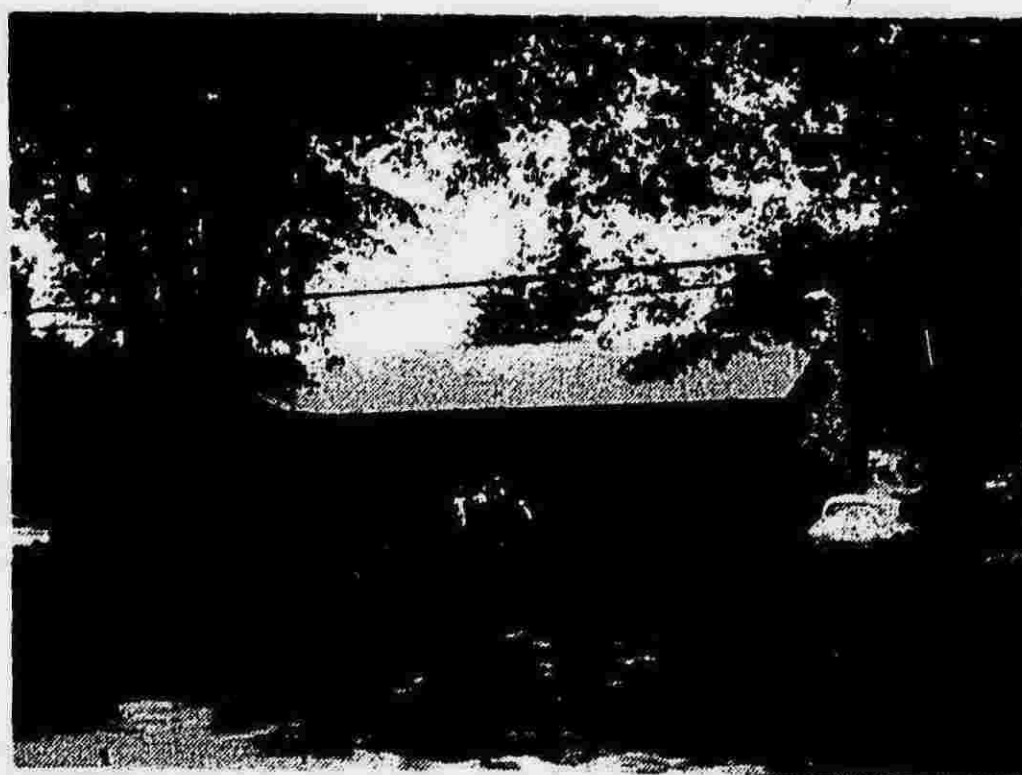

—Acts 4:12

## ECONOMY TV TOPICS

(By Harold "Pete" Peterson)

### RADIO VS. TV

A radio may go five years, and sometimes longer without a servicing need. The average TV set may need five servicers within a year. Most people will question this difference; thinking that the two electronics should have a similar servicing pattern.

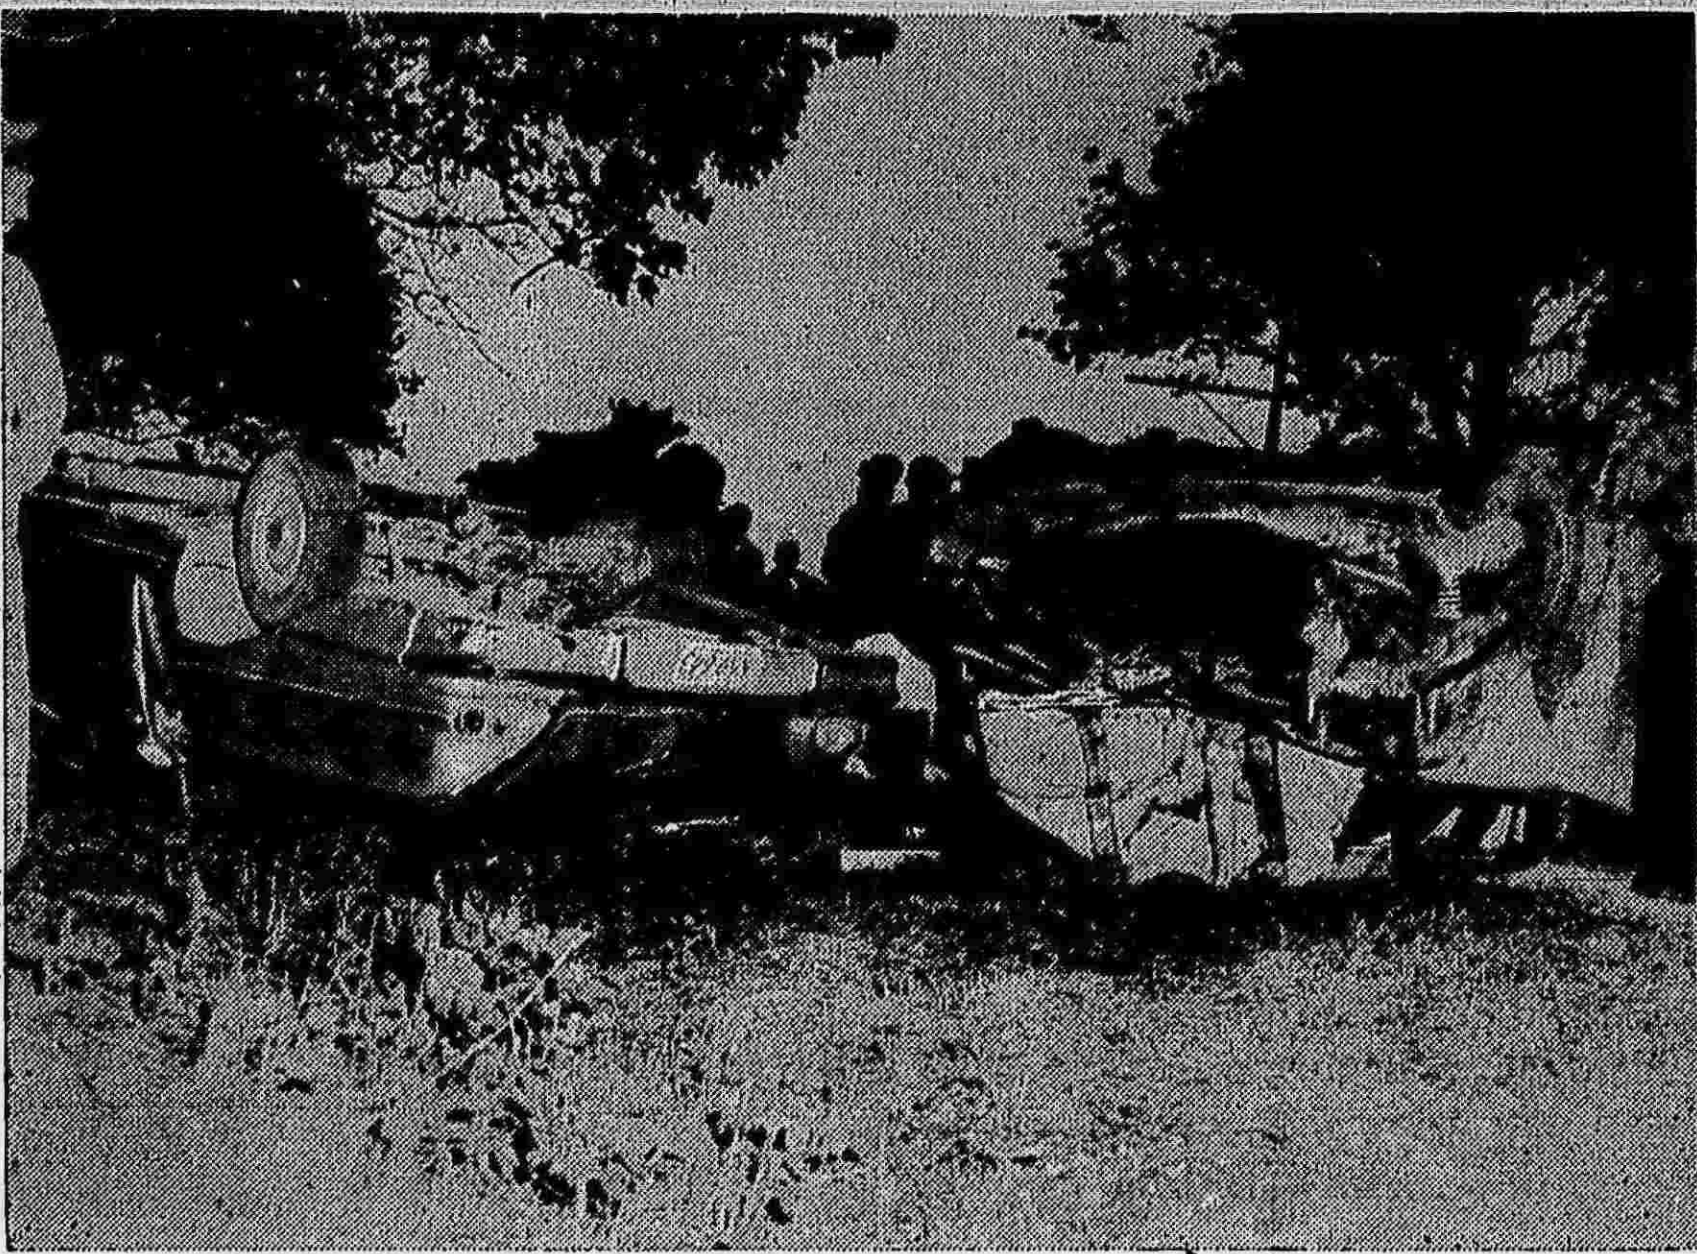

Your radio contains about 200 parts. Your TV set contains at least five times that many, each dependent upon one another and each hundreds of times more sensitive and complex than radio parts. It is a wonder that a complex electronic like TV should attain the servicing record that it has.

AT ECONOMY TV, on Rte. 173, one mile west of Antioch, our servicing is kept up-to-date by the various informative publications that we subscribe to. These give us the latest information and advancements for the most modern and reliable servicing of television. Phone Antioch 1454 next time.

## Plan Scout House Memorial For Prange; Lost In West

"It is asking for the impossible, but knowing the boy, we haven't given up hope for that million in one chance."

That was the way Mrs. Herbert Prange of Loon Lake Rd. described her family's feelings of finding her son, Lawrence Eugene, alive. He has been missing without a clue for two weeks in the rugged and cold Mission Mountains of Montana.

But while the search goes on in the west, a memorial service is being planned in Antioch for the young man. And in the next few weeks, many of his personal wood-

land possessions are to be presented to the Antioch boy scout home.

The articles which include some of Prange's favorite keepsakes such as a buffalo noise piece, the Indian head dress he wore for his Order of the Arrow membership night, a canoe paddle, and his snow shoes will be arranged in a permanent display at the Scout House, according to James Horton, Boy Scout Troop 92 Scoutmaster.

## Taverns Must Turn In Gambling Stamps Or Lose Licenses

Tavern owners who have purchased federal gambling stamps may still turn them in to avoid being cited for a hearing by the Illinois Liquor Control Commission.

Chairman of the Liquor Commission, Loren B. Sackett has warned that taverns cited for a hearing in regard to their possession of gambling stamps will lose their liquor licenses if investigation proves possession of the stamp.

Sackett said that an offer to turn in gambling stamps after the hearings start some time in October, will be accepted, but will not affect the commission's decision to revoke their licenses.

## Republican Candidates Speak At Antioch School

State GOP candidates Warren Wright and Gerald Smith led their campaign caravan to Antioch and the surrounding area Wednesday night.

U. S. Representative Marguerite Stitt Church (Rep., Evanston), joined Wright, who is running for state treasurer, and Smith, running for state superintendent of public instruction, at a meeting with the Antioch Men's Republican Club, held at the Antioch elementary school.

Mrs. Church will also be on the ballot Nov. 4 running for reelection. The two state candidates visited with the Grant Township Republican's Club earlier in the evening.

She pointed out that in this off year election the state and county candidates in addition to herself were carrying the burden for the party.

Mrs. Church categorically endorsed the state and county candidates on the platform.

Wright emphasized the work theme in his speech, and said that the results of GOP labors could be "a smashing and resounding victory (continued on page 7)

### If There Were No Oil

Suppose—just suppose—that tomorrow not a single drop of oil or any oil product was available.

All transportation would stop—every automobile, every train, every plane, every truck. In oil-fueled electric plants throughout the country the dynamos would fall silent. Work on the farms, dependent as it is on oil-burning machines, would slow to a crawl. Homes would grow cold, and factories would close their doors.

Without oil total paralysis would descend upon the nation.

This little flight of fancy may serve to help emphasize the significance of Oil Progress Week, which is to be observed during October 12-18 period. It is an annual observance, in which the oil industry reports to the nation. Its purpose is to tell oil's own particular story and also the story of the competitive, free enterprise system that makes possible the existence of the industry.

The Week's slogan reads: "Today—oil builds for your tomorrow." It will be a tomorrow in which more and better oil products will make this country a finer place to live.

### The Bible—The Word of Life

The 18th annual Bible Week will be observed during the week of October 20-28. Once again it is sponsored by an all-faiths group, the Laymen's National Committee, Inc. This year's theme is: "The Bible—The Word of Life." It is taken from the 2nd Chapter, 16th Verse of the Philippians.

National Bible Week is dedicated by men and women of all faiths as a tribute to the world's greatest Book. By a daily reading and study of the Bible we may hope to arouse a newer and greater spiritual force—a force that is desperately needed in today's troubled world. Those who know and follow the precepts of the Bible will always fight the effort

to substitute the pagan state as arbiter of what is right and wrong in our lives.

### But We Still Need a Labor Law

"This is a painful year for Labor Day orators. The misdeeds of the Teamsters and other union racketeers, as brought out in the McClellan hearings, have brought to a climax a record of labor gangsterism that attacks the moral and social health of the whole country. Crooked labor runs wider, deeper and dirtier than anyone had suspected."

"Congressmen and candidates will soon go before the people. They should do so with one ear cocked toward the McClellan hearings. It is the business of every voter to exact a pledge from each man running for Congress to go to Washington next year and vote for a labor law—better than the Kennedy-Ives if possible and with more teeth in it."—Life Magazine, Sept. 1, 1958.

### The Two Big Steps

"Even in political circles there is increasing interest not just in union corruption, but in the tremendous coercion unions exercise through union-shop and maintenance-of-membership agreements," says Fortune magazine editorially. It quotes the distinguished Harvard University teacher and writer, Professor Edward H. Chamberlin, as saying: "The public interest requires the imposition of major restrictions on the monopoly power of labor."

Actually, there is a distinct and inevitable connection between corruption in unions and the unions' coercive powers. Their membership is captive—a man can't quit without losing his job. It doesn't make any difference whether he approves or disapproves of union officers and union policies—if he is to keep on supporting his family, he has to pay his dues and keep up his membership. Under such a condition, the field is wide open for graft, racketeering, goon-tactics, and all the other abuses.

There won't be any really thorough union reform until two steps are taken. First, the unions must be brought within the scope of the anti-trust laws—which simply means that they must be placed in the same legal position as all other organizations within this country's economic framework. Second, the right-to-work law must become universal. A better description of this law, some think, is found in the phrase "voluntary unionism." It simply provides that a man has the right to join or not join a union, as he freely decides—just as he has the right to join or not join any other organization.

All other proposed legislative reforms are minor compared to these.

### High School Busses—

Antioch High School owns and operates six busses. Five of the busses are used in the morning and in the afternoon on regular bus routes to transport children to and from school. The sixth bus is kept in reserve for emergency purposes and for student field trips. Messrs. Arthur Anderson, Ronald Olson, Clarence Haase and Robert Michelson are janitors and serve as regular drivers. Harry Smith is employed by the district to drive one of the busses in the morning and in the evening.

Approximately 560 children are being transported this school term each day that school is in session. The 560 figure is about 85 per cent of the total enrollment of the high school. All students transported must reside at least 1½ miles as measured by the customary route of travel from the school. This requirement complies with the state law.

The busses meet the standards of safety, comfort, convenience, efficiency and operation prescribed by the superintendent of public instruction.

The cost to the district of transporting each child during 1957-58 was \$28.15. The state reimbursed the local district by paying \$12.35 for each pupil riding the busses. In other words, the cost of transportation to the high school district from the regular budget was approximately \$6,651.80. Total reimbursements from the state for transportation for 1957-58 was \$5,203.10.

Mr. Porter Larson, head custodian of the high school, is in charge of bus maintenance and repair. Assistant Principal Warren Polley supervises all bus routing and special field trips.

For the past several years, students have been given the opportunity to ride the busses to athletic contests by signing the bus register in the office. The fee per round trip is 40¢ per child. This fee is used by the Board of Education to pay the bus driver, the supervisor of the bus and whatever expenses are involved in the maintenance of the bus. The Board of Education operates the special trips on a non-profit basis to the district only attempting to collect enough money to cover the costs involved. Each bus is supervised by a faculty member and the children must ride the busses both to and from the school.

### Band Formed at ATHS

A 60-piece marching band at Antioch Township High School has been formed and will next appear at halftime of the Homecoming football game on Oct. 11. The band, under the direction of Joseph Rush, performed at halftime of the first home football game last week, says the Tom Tom, school newspaper.

of Africa, Asia, South America and the polar regions.

The lecturer is said to be the largest supplier of wild animals to zoos, parks and circuses.

Next program in the series will be Oct. 20 when Ray Sullivan, a specialist in the romance and history of American firearms, will trace American history and use of those weapons.

Final two programs in the series will be Feb. 15 with General Motors' "Previews of Progress," and April 1 when Tade Sztuka, brilliant Polish-American tenor will sing. The public is invited to attend the non-commercial General Motors show and the Sztuka program.

This year's staff consists of Karen Van Patten, editor-in-chief; Dani Strattan, news editor; Mary Lou Geist, feature editor; Dick Gudgeon, sports editor; Janet Keisler, art editor; Arlene Rozek, production manager; and Mike Mortensen, circulation manager. Articles are assigned by the various editors to their reporters, who submit them for use in the following issue.

Throughout the year, the Tom-Tom will be published every second week. Students will be given an opportunity within a few days to enter a subscription at rates of 30 cents per semester and 60 cents per year.

### ATHS Students Take Tuberculosis Tests

Freshmen and new students at Antioch Township High School were tested Tuesday for tuberculosis by the Lake County Tuberculosis Assn. Results of the tests will be read in about a week.

Tests were made upon those students whose parents signed permits since school began.

A positive reading of the tests indicates that tuberculosis X-ray is required.

### 17 New Students at ATHS

Besides Freshmen, Antioch Township High School welcomed 17 new students to classes this fall, according to the Tom-Tom, the high school newspaper. There are eight sophomores, four juniors and five seniors.

## North Illinois Gas Breaks Ground For New Lake Dist. Headquarters

Ground was broken last week for Northern Illinois Gas Company's new Lake District Headquarters at Crystal Lake.

Located on a nine-acre site on Route 178 about 1 1/2 miles east of Route 14, the new facilities will replace presently leased property and will enable concentration of Crystal Lake operations. All of the operating, construction, sales and service activities of the Lake District will be directed from the new headquarters.

Marvin Chandler, Northern Illinois Gas president, declared during the ground-breaking ceremonies, "For some time, our facilities on Woodstock street and Williams street in Crystal Lake have been inadequate. This new headquarters will, we believe, make our operations even more efficient as well as provide our employees with a modern place in which to work; it will further our constant efforts to render prompt, courteous and dependable service."

Participating in the ground-breaking were Crystal Lake Mayor Leo Krumme, and the Rev. M. J. A. Dalrymple, of Crystal Lake.

The Lake District at present serves about 28,000 customers, including more than 1,700 added in the last 12 months. This large and continuing expansion of service makes the Lake District the second fastest growing area in the utility's entire 20-county service territory, according to Chandler.

Approximately 120 Northern Illinois Gas employees will work in the new facilities upon completion of construction in about a year.

tor of the cub pack. Accepting the flags for the pack were Mr. George Sebella, president of the Venetian Village Civic Ass'n., and Mr. Robert Randall, president of the Village of Lindenhurst. Mr. Sebella spoke on the important part that the parents play in any scout movement. He stressed the point of responsibilities that a parent has when they have a Scout in the family.

Mr. Randall spoke on the importance of scout activities in a growing community and how the need for such a movement is a necessity for the overall youth program of the evergrowing village of Lindenhurst.

Awards were presented to the following cub scouts: Anthony Holch, wolf badge, gold and silver arrow; Wilber Ruckoldt, silver arrow; Billy Schaufel, lion badge; Robert Murawski, silver arrow.

Paul Hunt, finance chairman, submitted a financial report and explained the overall expense of running the cub pack.

Refreshments served by Mrs. Lois Flanagan, Mrs. Duane Wacaser, and Mrs. Robert Sweeney were much enjoyed by those present.

From Farm Journal: "A few steps from our office stands in Washington Square a monument to the unknown soldier dead of the American Revolution. We here who pass by daily, often wish that you and all Americans might see, engraved deep in the stone behind a bronze statue of George Washington, these dozen words: 'Freedom is a light for which many men have died in darkness.'"

**TAX FACTS**

The Taxpayers' Federation of Illinois today estimated that the increase in Federal spending in the fiscal year 1959 over 1958 will cost the taxpayers of Illinois \$497,700,000 or \$52.48 for each man, woman and child residing within the State.

The Federation noted that Federal spending will rise in fiscal 1959 by about \$7 billion over the 1958 total of \$71.9 billion, according to latest official estimates. Calculating that Illinois taxpayers bear 7.11 percent of total Federal taxes, the Federation applied this percentage to the \$7 billion increase to arrive at the \$497,700,000.

This \$497,700,000 additional burden on Illinois taxpayers is equal to 72 per cent of the State collected revenue it takes to operate the government of Illinois for one year. It exceeds by \$72,197,000 the combined receipts from Illinois sales tax (\$296,082,000) and gasoline tax (\$129,441,000), which together comprise 62 per cent of the State's receipts for 1957.

Such high levels of Federal taxation and spending have resulted in added financial difficulties for State and local units of government. At the present time, the Federal government is taking approximately one-third of earned income. High Federal taxes drastically reduce the tax base upon which local units of government must depend. Thus, the level of support by State and local governments in providing for schools, protection of life and property, and welfare suffers because of a depleted tax base.

As the local tax base is depleted, there develops an ever-increasing demand on the part of local government for additional Federal aid. Essential local services must be provided, and if the tax base in local areas is exhausted because of the large amount of taxes taken by the Federal government, States turn, as has become the habit, to the Fed-

eral government for more assistance.

When Federal grants are made, the inevitable result is that the Federal government must raise more money by increasing taxes. This in turn lowers the tax base in the States, who then ask for greater Federal grants. It is indeed a vicious circle—a circle that will only vanish when we learn that our dollars are subject to shrinkage when they make the trip to Washington and back.

The use of special lenses and magnifiers by people with low vision has increased enormously in the past year, according to reports released by the American Foundation for the Blind.

Among the books recorded at the American Foundation for the Blind for distribution to America's 350,000 blind people by the Library of Congress is Helen Keller's latest, "The Open Door."

**Taken From the Antioch News Sept. 23, 1948—Ten Years Ago**  
**Scout House Dedicated to Building of Character in Antioch Youth and As Memorial to Mrs. C. K. Anderson**

Antioch came into possession of its new Scout House through formal dedication Sunday with the remark on every hand, "It's beautiful."

Valued at no less than \$30,000, the new building at 745 Main St., is a living memorial to Mrs. Leila J. Anderson through a gift of \$15,000 by her husband, C. K. Anderson. It rests on a beautiful wooded lot, a gift of William Schroeder, son-in-law of Mr. Anderson, and his family.

The building was made possible through the labor, materials and general aid from nearly a hundred men and women, business firms and agencies. What at the outset was to be a modest structure, ended as a building of most pretentious design and equipment.

The importance of the scout house as an instrument for building character in the young people of the community was emphasized by Dr. Preston Bradley of the Peoples Church, Chicago, who, as the dedication speaker, declared, "This is not a building to cure a wasted life; it is to prevent the tragedy of one, and will last as long as our ideals live."

Dr. Bradley was introduced to the large audience by C. W. Anderson, donor of the building, who said that he was pleased that the widely known pastor and radio speaker would take time from his busy schedule to take part in the dedication. He said that he had known Dr. Bradley for 30 years.

To Boy Scout Leader Harold Cardiff and to Girl Scout Leader Mrs. A. H. Kaufmann, custodians, he gave the keys to the building for the use of their organizations and that of the women's clubs.

Dr. D. N. Deering, as head of the building committee, served as master of ceremonies. He reviewed the history of the building from the time of its birth as an idea at the Lions Club dinner for the Boy Scouts at the Methodist Church Oct. 13, 1947, through the subsequent meeting with Mr. Anderson at his home on the following Nov. 16, and the turning of the first spadeful of dirt on May 17 of this year. The actual construction of the building took four months and two days.

Dr. Deering read an extended list of those who had contributed labor, time or materials to the building of the scout house and said that the list with the sound recording of the program would be placed in the corner stone for future reference.

The program was projected from the porch of the building. Several selections were played by the Antioch High School band under the direction of Hans von Holwede. While the band played the national anthem, a flag was raised on the staff in front of the building and the 150 boys and girls of the scout organization participated in the pledge to the flag.

The Rev. L. H. Messersmith gave the invocation.

Acceptance of the building in behalf of the village was given by President George B. Bartlett, who said that the beauty of the building was emblematic of the beauty of the life (Mrs. Anderson) lived.

Father Leonard... addressed the boys and girls of the scout groups, telling them that if they fulfill the scout law, they will fill the heart's desire of the donor.

"A good boy scout will never become a delinquent," said he.

Evanston Troop No. 24, one of many troops present, entertained with drum and bugle music and with baton twirling.

Following the benediction by the Rev. E. William Strauser, several hundred persons... inspected the new building.

**Yes, It's Been Cool This Sept. in Antioch, Weatherman Says So**

The community of Antioch, never one to be out-done in any fashion, went Chicago one better the other day—or one worse—even if it was only in the matter of the weather.

When Chicago weather observers reported a minimum temperature of 44 degrees above zero Friday morning as the lowest since they started keeping records in 1871, did that faze Antioch?

No, indeed, for Postmaster Roy Kufalk's official meteorological thermometer showed a light temperature of only 43 degrees above zero, and furthermore, a "light white frost" was noted.

And on Saturday, Sept. 11, the temperature did another nosedive, down to 38 degrees above zero. The warmest temperature for the month was 85 degrees, Sept. 1 and 5.

**Blood Bank Sponsored By Lake County Firemen**

Already attracting attention for its fine work is the blood bank sponsored at St. Therese Hospital, Waukegan, by members of the Lake County Firemen's Assoc. and their wives.

Donations of blood are given free of charge to persons in need of them.

Those who have given donations from Antioch include Mrs. Elmer

Hunter, Mrs. Herman Rosing and Fire Chief L. R. Van Patten. Antioch is the only department where the women have given blood donations, so far as is known, although firemen in the other departments in the county have donated blood.

The blood bank is designed to be of especial value in emergencies such as accidents.

**Red Cross Unit Asks for More Volunteer Aides**

Twelve hundred surgical dressings were made by the Antioch Red Cross unit Tuesday morning and afternoon. This is a "record" to date, leaders stated.

Members of the unit are busy working today in an effort to rival or better this number.

Work done by the unit is all volunteer work, by women who give up anywhere from a half hour to a day of their time in behalf of Red Cross work.

Additional workers are always needed, it is announced. The Red Cross headquarters are in the Antioch Rescue Squad rooms over the Five and Ten Cent Store.

**Horse Stealing Charge Dismissed**

Charges against a 16-year-old Loon Lake youth accused of taking a saddle mare from the farm of Jack Connelly, Millburn horseman, Aug. 30, were dismissed by Justice of the Peace Harry Hoyt last Thursday in Waukegan. It was revealed that the youth had cared for the animal over a period of a year or more while it was on the farm of a previous owner, and was apparently much attached to it. Assistant State's Atty. George Field, while prosecuting the case, gave it as his opinion that the youth did not intend to "steal" the animal with the intention of keeping it, and also called it to the attention of the court that the lad had been kept in the county jail for eight days while awaiting trial.

The Royal Neighbor Officers club met Tuesday evening, Sept. 21 at 8 o'clock at the home of Mrs. Will Runyard. Mrs. Quadenfeld will be co-hostess.

**News of the Boys in Service**

Ensign M. S. Pflager, Channel Lake, who attended the University of Illinois, is among the Navy and Coast Guard officers graduating from a training course at Edgewood arsenal, Md., Sept. 11.

Howard Atwood, Rte. 3, was graduated Sept. 5 from the Service School for Machinists at Great Lakes Naval Training Station. Atwood, fireman, third class, was selected on the basis of his "boot training" aptitude tests, which indicated ability in mechanics. His course of study included work with drainage systems, distilling plants and internal combustion engine.

Warren Sheehan, S/1c, writes, via Fleet postoffice, "the natives are always willing to help in any way possible. They have a great variety of interesting habits and beliefs, and one never tires of watching and listening to them. My good friend Don Minto and I have been separated for quite some time now, and I miss our old get-togethers—we could put our news from home together and keep well posted."

Pvt. Richard Luedtke, Veterinary Unit, Ames, Iowa, spent a week's furlough with his parents, Mr. and Mrs. Otto Luedtke.

"I'm now at Camp Butler, S. C.," is the latest word from Pfc. Carl Wurster, "and the first day, who should I run into—Jacque Koppen. Was Jacque surprised? I'll tell the world he was, and told the other guys that finally another soldier from good old Antioch had finally showed up. Boys, here's a hot tip. Don't land in N. C. it's a 'Dry State.' Ration stamps for liquor, and one quart a month. Doesn't sound good—and the beer—they laugh at you when you tell 'em to fill 'em up again. And always say, 'Save some for your buddy'."

"I still drive for the Colonel."

Recognize a Bargain

"Guess what I have, Molly," the Mr. said as he closed the front door. "It looks like the latest issue of our weekly newspaper," his wife replied.

"Right," George Rimer agreed. "And it also is one of the world's biggest bargains. There's no telling what would be going on at city hall or the county seat if we didn't have newspapers to keep an eye on the way our taxes are spent."

"I don't know about that," Molly said, "but I do know the ads in the paper make my shopping a lot easier by telling me where to find the things I need at reasonable prices."

The Mr. nodded. "Business would be in a bad fix without newspaper advertising," he said.

"I noticed the first week in October is National Newspaper Week and it started me thinking. Television and radio are fine for entertainment—but when you want to know what's going on or where to buy something in your own hometown, nothing can take the place of the local paper."

## Salem Central Beats St. Catherine JV's 13-6

Two fumbled punt returns were the key to a 13 to 6 victory for Salem Central against the Jayvees of St. Catherine last Friday night at Paddock Lake field.

Central was quick to turn the key on both occasions. Fullback Rick Thomas cracked over the goal line on the second play from scrimmage after personally pouncing on the first of the Racine team's bobbles in the second quarter.

Tackle Jim Eckhart set up the second Falcon TD when he recovered a fumbled punt return on the St. Catherine 12 yard line early in the fourth quarter.

A short series of plays was climaxed by Fred Lentz's quarterback sneak from the one yard line.

An 82 yard pass play gave St. Catherine a belated touchdown with five minutes to play, but Eckhart ended their hopes with a pass interception in the dying moments of the game.

Central now boasts a three win and one loss record. They play powerful Brookfield on the home field Friday evening.

## Grant Beaten By Grayslake

Grant's gridders were beaten by the champion Grayslake Rams 14 to 0 at Grayslake last Saturday. The Rams, unbeaten this year and bent upon winning a second straight league title, scored twice on sustained drives.

The Bulldogs are considered a team to respect after barely losing 7-6 to highly touted Lake Forest in their first league encounter.

## 3 AHS Girls Attend State Athletic Workshop

The Girls' Athletic Association of Antioch Township High School was represented by Sandy Barnstable, Sue Duha and Trudy Good recently at a workshop. This workshop, held at Libertyville-Fremont High School was one of the two state workshops held in Illinois this fall.

Sandy Barnstable was one of the three girls selected as recorder for the workshop. Sandy gave a summary after lunch on the topic, "Special Events in the G.A.A. Program."

Problems, ideas and organization of various events of G.A.A. were discussed and exchanged. Group singing and mixers were participated in by advisors and girls. A speed-away demonstration was the first event on the program.

Plans are underway for the district fall Playday which will again be held in Antioch this year.

## Antioch Takes On Round Lake This Saturday

## Walther Warns: Must Stop Their Dash Man

"Our boys are up and want to go all the way, but Round Lake isn't the soft touch they've appeared to be," Sequoit coach Robert Walther said today in anticipation of the grid contest at Round Lake Saturday at 2:30 p. m.

Antioch is still plagued with its halfback problem, Walther reported. First string Vic Nauseda has been handicapped with a knee injury, but may see some action in the coming game.

His stand-in at left half, Jack Thompson was knocked unconscious in the Warren game last week. This, plus a sprained ankle incurred on the same play, will prevent his appearance Saturday.

Jim Portalski, another halfback, is recovering from a knee injury. Walther is pointing this week's practice towards stopping Round Lake's running attack which features a lightning fast halfback in Don Rhinehoefer.

Rhinehoefer broke the Round Lake varsity track record for the 220 yard dash, as a sophomore last spring, according to Walther. The Antioch mentor hopes to contain his end sweep specialty by intense workouts for the Sequoit defensive ends and backs.

Round Lake's record is not impressive. After winning its opening non-league game, they have lost two straight league contests, including 40 to 0 rout at the hands of Lake Forest this past week.

Walther said, however, "This team could jell in any game; they're better than they have shown so far."

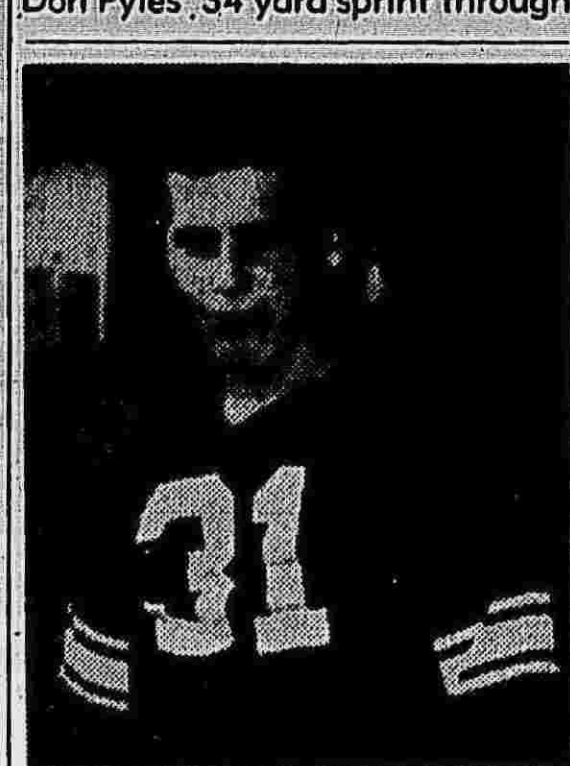

Antioch has now won one and lost one in league play. They tied a non-league game in the season's opener.

Bright spot in the Sequoit picture: the continued outstanding play of fullback Don Pyles, author of last week's winning TD, who is averaging nearly ten yards per carry.

## Pyle's 3rd Quarter Run Upsets Warren's Gridders

The first home crowd of the season watched with surprise and delight as Antioch's gridders came from behind to nip Warren's Blue Devils 7 to 6 last Saturday night.

A Blue Devil fumble early in the third quarter set the stage for Don Pyles' 34 yard sprint through tackle to paydirt.

## Wilmot Weakens; Loses 35-14 To Mukwonago

Wilmot's Panthers fell prey to the giants from Mukwonago and succumbed 35-14 last week in their Southern Lakes football inaugural.

The Panthers held on for grim life during the first three quarters against the larger, more experienced and more numerous Mukwonago squad. They trailed 21-14 up till that point.

But the home team pounded out two decisive touchdowns during the final period.

Wilmot's defensive ends were especially susceptible to the Mukwonago attack. Lee Jeffers, an end out for the rest of the season with a back injury, was sorely missed.

The president of American Can Co. states that there are more than 4,300,000 business enterprises operating in this country—and only one in a thousand employs 1,000 people or more.

Don Pyles carried the Sequoit offense with 90 yards in 14 carries.

According to the New York Times, through June of this year the social security system had collected \$57 billion in payroll taxes and paid out \$37 billion in benefits. The system originally covered 26 million people; now it covers 74 million.

## Miss Wendy Midgley Wed in Utah Ceremony

Dr. and Mrs. Calvin P. Midgley announce the marriage of their daughter, Wendy, to Mr. Laurie Crenshaw, son of Mr. and Mrs. Laurie M. Crenshaw of Napo, California. The marriage was solemnized August 29, in the Salt Lake City Temple of the church of Jesus Christ of L. D. S.

Guests for the occasion were relatives and friends from Illinois, California, Texas and Utah. After a wedding trip to San Francisco and Northern California, the couple are making their home in Salt Lake City, where Mr. Crenshaw is attending the University of Utah and is connected with the new color T. V. station KLR.

Wendy is a 1954 graduate of Antioch Township High School and of Brigham Young University, Provo, Utah. Friends here will meet Mr. and Mrs. Crenshaw during a planned Christmas visit, at an open house to be given by Wendy's parents.

## Antioch Family Is Back From Vacation

Mr. and Mrs. Donald Gibbs and daughter, Donna, returned home Friday after spending three weeks vacationing in California, Montana, and Colorado.

## Donald Kalals On Wedding Trip To Bermuda

The new Mr. and Mrs. Donald Kalal are on a Bermuda honeymoon after their marriage Sept. 20 in the St. Peter's church of Antioch. The bride is the former Lillian Boris, daughter of Mrs. Florence Boris of Paddock Lake, Wis.

Officiating at the ceremony was the Rev. Alfred J. Henderson.

The bride wore a full-length chantilly lace and tulle gown. A jeweled crown held her fingertip veil.

Giving the bride in marriage was Morris Coleman.

A reception at the Conservation Club at Salem, Wis., followed the ceremony after which the couple left for Bermuda.

Upon their return, they will be at home at Paddock Lake. The bridegroom, of Cleveland, Ohio, is a purchasing agent for the Quiggin Service Co. of Cleveland.

## Evening Circle Meets

Evening Circle of the WSCS of the Methodist church will meet at 8 p. m. Thursday, Oct. 9 in Wesley Hall where devotions will be given by Mrs. Kenneth Smouse and the Rev. Wallace Anderson will conduct the second study in a series on "The Christian Family and Home."

Mrs. Earl Pitman attended a tea at Barat College, Lake Forest, Tuesday for the Gray Ladies of the American Red Cross. Hon. Marguerite Stitt Church was guest speaker.

## Local Entry Ready For Chi. Dog Show

Mr. and Mrs. Don Francisco, Sr. will show their female Boxer, Calypso Doll, at the Midwest Boxer Club show Sunday.

The show will be held in the Logan Square Masonic Temple, in Chicago.

The Boxer pups of Mr. and Mrs. Carl C. Denny of Petite Lake, Lake Villa, won second prizes in two classes in a recent Midwest Boxer Club show at Brookfield, Ill.

The pups were handled for the Dennys by Mr. and Mrs. Francisco.

## St. Peter's Altar and Rosary To Hold Meeting October 6

The Altar and Rosary Society of St. Peter's church will hold its first meeting of the year Monday, Oct. 6 at 8:15 p. m. in the school hall. Rosary and benediction will precede the meeting at 7:45 p. m.

A "get acquainted" social evening had been planned by the St. Vincent's Orphanage Group. Cards will be played and table prizes awarded. Also, the annual shower for the orphanage will be held. Gifts for the infants up to the age of three will be appreciated.

All ladies of the parish are invited to attend and urged to join the society. The entertainment and refreshment committee includes Mrs. Frank Kennedy, Mrs. John Harrison, Mrs. Myrtle Stowe, Mrs. Harriet Pierson, Mrs. Barbara Felt, and Mrs. Dudley Kennedy.

## Honors Pile Up During September For Miss Paddock and Her Horses

New honors and awards just never seem to stop coming to Joanne Paddock as she moves into the "Big time" horse show arenas.

During September Miss Paddock

added three more trophies to her family's piano: 1st place in the Wisconsin State Arabian Show at Madison; second place in the All-Arabian Horse Show at Milwaukee and fourth place at an Indiana show. All the awards were given to Miss Paddock for her excellent training of her Arabian horse, Indy.

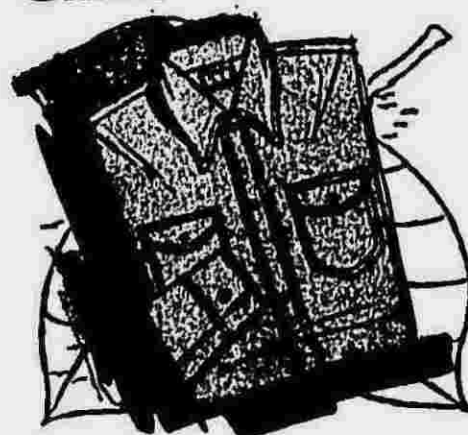

Miss Paddock, 21, works at Drije Chevrolet in Antioch. She has been training horses and winning awards since she was 10 years old.

## Voting Registration Deadline Is Monday

The deadline for voting registrations in Lake County is next Monday. Men and women who have reached 21 and have not registered before, new residents in the county, and county residents who have changed addresses must register if they wish to vote in the Nov. 4 elections.

There are four registration places in Antioch and Lake Villa. Lloyd Murrie, 959 Main St., Antioch Township Supervisor; Carol Cervenk, of Grass Lake road in Antioch; the insurance office of Edward Tiede, Grand Ave., and Loretta M. Warhol, Venetian Village subdivision, in Lake Villa.

Area residents may also register at the County Courthouse in the permanent voter registration office.

The courthouse registration office, a branch of the county clerk's office, began extra office hours Thursday to accommodate last minute registrants. The office will be open until 9 p. m. through Monday with the exception of a 5 p. m. closing hour Saturday and the Sunday all day closing.

The registration office, under the direction of Miss Eva Palmer, is located in Room 102 on the ground floor of the courthouse.

Eligibility for voting here requires residence in Illinois for one year, in Lake County for 90 days, and in a particular voting precinct for 30 days.

A change of name by marriage or court order also requires re-registration.

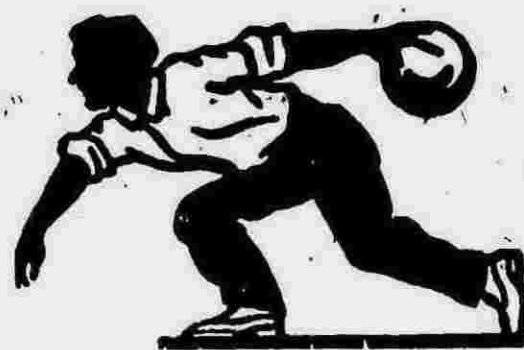

A special registration was held recently, but garnered only 1,150 new registrants, a small percentage of the estimated eligible new registrants.

## Two Area Men Lose The Right To Drive

The driver's licenses of an Antioch man and a Lake Villa man were suspended this week, according to the Secretary of State.

The suspensions are based upon conviction of three or more moving traffic violations within a year.

The men who have lost their licenses are Stanley T. Lozowski, RFD 3, Lake Villa, and Clarence A. Pyles, RFD 4, Oak Lane, Antioch.

## Mayor and Boy Scouts Awarded At Honor Court

Mayor Murrill Cunningham was presented with an award of recognition at special ceremonies at the first Court of Honor of the year for Boy Scout troop 92. Additional awards went to six other residents.

The special award was for Cunningham's exceptional service to the troop in its activities. The boys received rank advancements and 42 merit badges were awarded for their own achievements, John Larson, troop reporter said.

Advanced in rank were: Charles Cermak, Lester Racine, James Barnstable, John Larson, Charles Groeninger, James Edwards, Anthony Badame, Jay Bruski, Michael Ganger, Robert Lang, Kenneth Larson, Elroy Moeller, Eugene Moeller, Pat Morgan and Joel Matusek.

James Horton is scoutmaster for the troop.

## Telephone Show Draws 1,500 In Two Night Run

More than 1,500 people attended the Telephone Community Night Theatre Sept. 23 and 24, according to R. N. Hawkinson, telephone manager here.

Informal talks by Antioch telephone people and displays and exhibits of telephone technology were features of the event held in the gym of the Antioch Township High School. The telephone people told of their jobs and of new telephone ideas for the future. Copies of the program which were handed out contained a history of telephone service and expansion in the community.

## Sports Car In Crackup Near Wis. State Line

A sports car crashed into the side of another car last Sunday on Rte. 45, near the state line.

Four people were injured in the collision. They are John North, 67, of Chicago, who suffered face and leg cuts; Ellen North, 62, of Chicago, who suffered back contusions and mild shock; S. E. Aegler, 21, of Warrenville, Ill., injuries of the right arm and shoulder; Carol E. Olson, 21, of Chicago, who suffered head and leg injuries.

The sports car, driven by Aegler and going north hit the vehicle operated by Mr. North coming from the opposite direction when the latter reportedly started to cross the road into driveway.

The Norths were taken to the Antioch Clinic by the Antioch Rescue squad. Aegler and Miss Olson were taken to St. Therese hospital by ambulance.

Sheriff's police reported that the sports car had skidded 180 feet preceding the point of collision.

## Register This Mon. For Adult Classes At H.S.

Registration for Antioch High School adult classes will be held Monday at the school.

Teachers will be on hand to meet their prospective pupils during the registration period from 7:30 to 8:30 p. m.

Class fees may be paid at that time. Adult courses are offered in typewriting, public speaking, driver's training, and woodworking.

The groups will meet weekly in a ten week program. With the exception of driver's training, the classes will hold two hour sessions.

Ten registrants are required for the adoption of an adult course.

Warren Polley, assistant principal of the high school, is in charge of the evening program.

## TO RECEIVE HOLY COMMUNION

St. Peter's Holy Name Society and their sons will receive Holy Communion in a body at the 7:30 Mass on Sunday, Oct. 12. After the service the annual "Father and Son Breakfast" will be held in the Church hall.

A most interesting program has been planned. There will be a speaker from the Serra Club of Lake County and a movie will also be presented.

All fathers and their sons of the parish are cordially invited to attend.

Patrick Zeien, five year old son of Mr. and Mrs. Paul Zeien of Channel Lake underwent an appendectomy at St. Therese hospital, Waukegan, Tuesday. His condition is much improved.

## Area Mormons Grow; Dr. Midgley Named To Head New Unit

Growth of the Church of Jesus Christ of Latter-Day Saints in the lakes region was marked last Sunday with the organizing of the Chain O' Lakes Ward, a unit of the Chicago Stake, the larger church governing body in this area.

Dr. Calvin P. Midgley of Lake Villa was chosen as Bishop of the new church which meets in the Libertyville Masonic Lodge.

At the Sunday evening organization meeting, the growth of the Mormon Church in Lake County was traced from a membership of less than 30 in 1947 to more than 250 today. The members were organized into a branch of the church about 10 years ago.

The new ward, tenth such unit in the larger Chicago Stake, includes those of the Mormon faith living in Antioch and Lake Villa townships. Plans are underway for construction of a new church building for the ward within a few years.

## Fire Dept., Rescue Squad Feted With Smorgasbord Dinner

The Antioch Fire Dept. and the Rescue Squad members were guests at a smorgasbord dinner last Thursday given by Joe and Helen Sterbenz, at their Loon Lake establishment.

The proprietors gave the smorgasbord in appreciation of the work that both departments do for the community.

About 20 members from the two departments were on hand for the festivities.

## 175 Parents Go 'Back-to-School' For an Evening

About 175 Antioch residents, parents of high school students, found out how schools have changed since they matriculated as they went through their sons' and daughters' classes at the "Back to School Night" Wednesday at the Antioch Township High School.

Entering the building, each parent received a copy of his child's schedule, then after a short assembly went through the abbreviated seven-period class day.

At a final assembly in the cafeteria, parents talked to teachers.

Principal Albert Dittman, PTA President Wallace Anderson and Assistant Principal Warren Polley conducted the night, a joint project of the PTA and the high school.

Students assisting were: Faye Mann, Ione Cribb, Judy Maleck, Elaine Christensen, Terry Plack, Richard Prange, Robert Martin, Jill Anderson, Sandy Barnstable, Sharon Dittman and Lois Wagner.

## Trial Date Set In School Bus Accident

A trial date has been set for a dump truck driver who rammed the rear of a Salem Central High School bus last Monday afternoon on Rte. 50.

One boy, riding alone in the bus, was bruised on the arms and legs. He is Bruce Benedict, RFD 1, Bristol, Wis. The dump truck driver, George E. Midthum, 47, of RFD 3, Stoughton, Wis., was cut by flying glass in the collision.

The driver of the bus, Ray F. Squires, 24, of Woodworth, Wis., was not injured. He told police that the bus was making its last stop when the dump truck hit.

Midthum was formally charged with inattentive driving in the Municipal Court of Kenosha, Wis., Tuesday. He pleaded innocent and will come to trial Oct. 24.

Midthum told police that he was blinded by the sun when the accident occurred.

Jest for Fun

Two new army recruits were assigned to adjoining bunks in the barracks. They introduced themselves and one said:

"You can call me Tex, if you like."

"That must mean you're from Texas," said the other.

"Nope," said the first, "I'm from Louisiana, but I just don't like to be called Louise."

The Lake County Citizens' Committee for a new Courthouse is expected to name at least one man from Lake Villa or Antioch Townships to its executive committee.

The meeting is being held in the County Board of Supervisors' room at the county courthouse tonight.

There are two representatives from each of the county's townships on the 36 man Citizens' Courthouse Committee.

The committee will fill the last four positions on the 11 man executive committee tonight. The other seven were selected at last week's inaugural meeting of the group.

Two co-chairmen for the executive committee also will be named during the evening.

Discussion and approval of publicity material boosting the new courthouse construction is on the agenda.

The location of an office to serve as headquarters for the Citizens' Courthouse Committee probably will be announced tonight, according to secretary of the committee Harwood Rupp.

Objects of the Citizens' Courthouse Committee is to provide information about the \$2,550,000 courthouse bond issue which will be voted upon Nov. 4.

IT'S A PLEASURE TO SHOP AT JEWEL

For Meat You Can Depend On!

To make a meal turn out well, you must have good meat to start with! That's why it's so important to shop at Jewel—where you know you can depend on the meat you buy. Here are some points to look for:

When you buy ham: Select a brand that's known for flavor and tenderness... like Swift's Premium. At Jewel, these famous quality hams are cut in half—each half containing its proper share of sweet, choice center slices! At some markets, these are removed to sell as ham steaks at a higher price!

## Boy Scout Fund Drive Is Planned

The annual drive to provide operating funds for the Antioch Boy Scouts will begin here Oct. 10. Goal is \$2,000 which is more than double the \$700 collected last year.

R. N. Hawkins is in charge of the business and special gifts part of the drive which will be conducted prior to the general fund collection campaign. William Brook heads the general collection committee.

More than 200 local youths are registered in the scouting program which is administered by the North Shore Area Council. This number includes all Boy Scouts, Cub Packs and Explorers in the area.

Budget for maintaining the scouting program in the council will be \$111,200 for 1959.

During the past year the American Foundation for the Blind has conducted surveys in Ohio, Massachusetts, Idaho, Oregon, Arizona, and Pennsylvania in cooperation with more than 1500 health and welfare agencies.

Helen Keller, the great deaf-blind leader, has reached the age of 78, according to the American Foundation for the Blind, of which she is International Counselor.

## Cub Scouts Receive Awards At First Pack 92 Meeting

### Five Dairy Farmers From Here to Attend Pure Milk Convention

Five Antioch area dairy farmers are expected to be in Chicago Oct. 8 to attend the fall meeting of the Pure Milk Assn. Avery Vose, Rte. 2, Antioch, is treasurer of the association and director of District 7.

Others to attend from here are Homer J. Toft, Rt. 1, Antioch as delegate from the Antioch local, and Howard J. Bonner as alternate; George Leable, Rt. 1, Wadsworth; and Robert Denman, Rt. 2, Lake Villa, as delegates from the Waukegan local and John Stiehr, Wadsworth and Leslie S. Bonner, Rt. 2, Lake Villa, as alternates.

The Pure Milk Ass'n, with 14,000 members in Wisconsin, Illinois, Indiana and Michigan, is expected to discuss plans for growth of the organization as well as regulations regarding marketing of milk in Chicago and suburbs.

Ducks are the fastest flying game birds. The canvasback has been clocked at 94 miles per hour, the blue-wing teal at 89.

Cub Scout Pack 92 began its fall season meetings last Friday in the Antioch school gym.

Two new den mothers were introduced. They are Mrs. Willa Muir and Mrs. Betty Hoftkamp. They will have joint charge of Den 1.

The boys of Den 1 presented a "Round Up" skit.

Ken Sheldon will take the position of Assistant Cub master when the new charter is signed in November. Awards were presented to members of the pack:

Ray Westhoff, Bill Eisey, and Chester Mazur are graduating from the Cubs. They received their Webelos Badges.

New "Bobcats" are Bernie Dost, Danny Toman, and Frank Zeman. The following awards were presented as an indication of the boys' progress in the Cub Scouts:

Wolf Badge: Roy Franke, Phillip Mapleshorpe, Lenny Story—GA.

Wolf Arrows: Bruce Muir—GA and SA; Fred Gras—SA; Kim Morgan—SA; Eddie Fox—2 SA; Pat Paty—SA.

Bear Badge: Pat Hoftkamp—GA; Phillip Delany—GA.

Bear Arrows: Dan Brylinke—SA; Don Strang—GA & SA; Don Zeman—2 SA; Doug Hellstern—SA; Brad Ipsen—SA; Larry Smith—GA and SA.

Lion Badge: Mike Hatfield, Bill Groeninger, Neil Taylor, Kenny Nelson.

Lion Arrows: Terry Eckert—2 SA; Bill Eisey—SA.

The new Denner for Den Four is Larry Smith.

The assistant Denner for Den Four is Jim Litchfield.

## Cub Scouts, Parents Meet At Pack Night

Grass Lake Cub Scouts and their parents met at the Grass Lake School on Thursday, September 25 for their monthly "Pack Night."

The boys of Den 6 conducted the Flag ceremony and led in the Pledge of Allegiance.

The following awards were presented:

Bobcat badge: Donni Powell, John Alshouse, and Carl Jennrich; Bear badge: Greg Mitchell; Denner's Bars: Terry Robinson.

Den Seven put on an Indian ceremony dance to welcome the new Bobcats into the den.

There was an exhibit of branding irons made by the boys of Den Six. Refreshments were served by the mothers of Den Six, with Den mother, Kay Schaefer in charge.

## Cite Advantages of Forest Preserve Dist.

More recreation areas and preservation of needed areas for reforestation besides soil conservation are among the advantages of the proposed Lake County Forest Preserve District.

Directors of the county Soil Conservation District have gone on record as approving the forest preserve plan, says Gordon Flint, area conservationist.

"As more and more land goes into highways, buildings and lawns, the problem of flooding in Lake County area will increase," Flint said as he pointed out that every square foot of area removed from open land decreases the surface absorption area which results in flooding following heavy rains.

A similar resolution was passed by the board of directors of the Lake County Farm Bureau at a previous meeting.

## Square Dance Lessons Offered

Antioch children may learn to square dance beginning next Wednesday in the American Legion Hall.

Elmer Williams, the instructor of square dancing for the Protestant Youth Center of Kenosha, will lend his services as a caller and as a square dance instructor.

Boys and girls between the ages of eight and 16 are invited to attend the sessions. Folk dancing and dancing in the round will also be on the program.

Parents are also invited to come with their children.

U. S. destroyers and cruisers are built to last approximately 20 years, carriers 25 years.

There are 86,000 named species of insects in the United States. Of these, 10,000 are harmful.

## Petite Lake News

Correspondents:  
Mrs. Earl Reese—Tel. 532-W-1  
Mrs. Walter Johnson—Tel. 532-M-1

Down at Schaefer's Resort on Petite Lake, they have Duck troubles. It seems that their Uncle Jim up in Racine, Wis., gave them three nice ducks, two females and a male. Well, all the curious children who teased them proved too much for the feathered friends, and they took off. Only one was caught by Will Schaefer, after much coaxing and following around in the boat. However, the other two were returned home the following day by the Walter Johnsons. They had seen them and were successful in coaxing them into captivity again.

Mr. and Mrs. Roy Keifer, Rena Ave., Petite Lake, have been hosts to Mrs. Keifer's parents, Mr. and Mrs. B. F. Pierce of Olympia, Wash. The Pierces will stay for about a month. Aside from just enjoying their company, they have taken a trip to Menominee, Wis., to visit a brother of Mrs. Pierce's, Benny (that's Mrs. Keifer) has been keeping her Dad busy with various household projects, and her mother has completed three quilts for her. Of course the children are happy to have Gramma and Grampa visiting too.

In September a surprise shower was held for Mrs. Alfred Bloom, Chain-of-Lakes Subdivision, who is expecting a new arrival momentarily. The shower was given by Mrs. Lida Frasier, in her home, along with Mrs. Mabel Byrne, Mrs. Signe Lellinger. The Blooms have one other child, a girl 12 years of age, Susan, so the new baby will be fun for everyone.

Frank Muller, Jr., is recuperating from a bad accident while playing baseball. He fell and cut his knee, and had to have six stitches. Take it easy, Frankie, so you can grow up to the big league.

The Grass Lake PTA was represented at the Lake County Council meeting on Sept. 29, at the Gavin School, by the following women: Mrs. Wilbert Schaefer, PTA president, Mrs. Walter Johnson, treasurer, and Mrs. Karl Hawkins, past-president.

The Beachwood Subdivision Association, Petite Lake, are responsible for the construction of a nice shelter for the school children waiting for the bus at Highland and Rena Aves. Some of the men who participated in the project were Peter Leider, Ralph Tutein, Albert Ernsting, Gene Pasco, Kirk Harrison, Bill Prena, and Lee Nevtipil. The children will surely appreciate these good neighbors on cold winter mornings.

How about hearing from some of the other subdivisions around the Grass Lake area? We want to include your news so why don't each of you appoint a correspondent who will contact one of us each week and let us know all the little human interest facts about your neighbors? Hoping to hear from you this next week.

Grass Lake P.T.A. News  
Come one and all to our Home Bake Sale! On Saturday, Oct. 4, the Grass Lake School PTA will hold a bake sale in the Lyons and Ryan Ford Garage. The goodies will go on sale at 9 a. m. and will be sold while they last. This first Ways and Means project of the season will help the PTA sponsor useful projects which will benefit their school. They will appreciate your patronage, and are sure you will enjoy the baked goods you purchase, be it cake, pie, bread, rolls or cookies. We hope to see you there.

In Senator Fullbright's view: "We are treating luxuries as necessities and necessities as luxuries. . . We have got to return to a reasonable sense of what is really important, as distinguished from what is merely desirable. . . The problem is larger than what has gone wrong with our policies. Even more fundamental, it is what has gone wrong with our society."

## Time to Change Your Driving Habits

Darkness has a way of sneaking up on people and catching them with their daytime driving habits still in use. This is especially true during October when darkness is beginning to encroach upon the hours of automobile travel.

Even though fewer cars are on the road during darkness, more fatal accidents occur in Illinois at night than during daylight hours.

Statistics for the past three years show that for every traffic fatality that occurred in Illinois during daylight hours, three occurred at night, despite the fact that traffic is twice as heavy during the day.

October is a particularly critical month for night time traffic accidents.

One of the chief reasons for this is that nightfall comes earlier but motorists still retain the daytime driving routine established during the summer months.

Safe driving calls for a vast change in night-time and daytime driving habits because night driving is more likely to result in fatigue, sleepiness and dulled alertness.

Drivers who try to maintain daytime speeds at night fail to realize that the best headlight illuminates only a fraction of daylight seeing distance.

Motorists and pedestrians—too often carry their daytime driving and walking habits over into darkness. Darkness sometimes steals upon them unnoticed.

It is then that many fall into death's trap.

Darkness is an added driving and walking hazard and only individual alertness will reduce that danger.

If each driver and pedestrian would make an extra effort to stay alert after dark, our night-time traffic death toll would drop considerably.

Read Psalm 119: 137-144

If any man will do his will, he shall know of the doctrine, whether it will be of God, or whether I speak of myself. (John 7:17)

Late one night I walked alone on a narrow path through a gloomy forest and swampy land. In my hand I held a flashlight which lighted my way a few steps at a time. Without that light I might have run against trees or stepped in water. I might even have lost the way.

We all are wanderers along the path of life. Those who spend their lives without paying any attention to the Bible may be compared with a wanderer in the dark and having no light. Whosoever chooses God's Word for his guide goes his way in the light, for God is light. The Bible

teaches us to walk in the light. God's Word guides us to knowledge of truth and righteousness. By reading the Bible frequently, the Word opens to us. It gives light and understanding to the simple-hearted, to those who have childlike faith.

PRAYER: Dear Father, we thank Thee for Thy holy Word. Help us to find in it inspiration, strength and light for the living of this day. Give us the taste for Thy Word, so that we may be able to acquire strength and light from it. Use us to spread the light of Thy Word to others; through Christ, Thy dear Son. Amen.

THOUGHT FOR THE DAY: God makes our steps firm through His Word. —Ensis Lehtonen (Finland). World-wide Bible Reading—Acts 22:1-30.

## "Improve your Community"

"Every community in Illinois wants new industries—just wanting industry is no longer enough. What you had better want is to make your community the kind of place that industry will want to come to. Industries get along best with satisfied workers and a large part of worker satisfaction lie in well-rounded, happy community living." —Irwin Cochran, director Bureau of Business Management, University of Illinois.

Delegates to a Geneva conference on the peaceful uses of atomic energy believe that nuclear power as an economical and practical competitor of conventional power is at least a decade away. Speaker after speaker said research has shown that economical nuclear power is going to be more difficult to achieve than was originally supposed.
